Everything You Call Home

From the graceful arc of the roofline, to the sleek symmetry of the stack bonded brick, this place oozes style. We've packed in lots of fabulous features, so that you can experience first-hand how life can feel in a Platinum Home.

The spacious kitchen is at the hub, featuring the latest SMEG appliances, stone benchtop, walk-in scullery and seamless oak cabinetry. Meanwhile, opening skylights flood the entire area with natural light, creating an effortless, easy vibe for entertaining friends and family. When it comes to bathrooms, our elegant walk-in shower and stunning, high end tiling will make you feel like you've checked-in to a luxury hotel.

See how adding a few little extras such as over-sized doors, high ceilings or a custom laundry, to all our quality inclusions and superior craftsmanship, can combine to create a perfect home that revolves around you.
