Floorplan Clevedon

Based on our popular urban-style Clevedon plan, it showcases open-plan living with the kitchen and dining areas accentuated by impressive raked ceilings and large gable windows.

The kitchen is an entertainer's delight, with a large central island and roomy walk-in pantry, and the large alfresco area is perfect for hosting guests or enjoying a morning coffee.

Boasting three large double bedrooms, including a spacious master with a generous-sized walk-in wardrobe and a luxurious ensuite that will provide the ultimate retreat at the end of the day. The family bathroom is spacious and elegant, including a shower and bath with a separate toilet. A laundry room is adjacent to a double garage with space for tools and toys, and storage space is abundant throughout this home.
