# Floorplan Sandown

Set on a 571 sqm private right-of-way section, it's the perfect family home (ideal for the younger family) with just you and one other home. Our single-level 150 sqm Sandown design has been thoughtfully designed to prioritise efficiency and ease of living. The modern kitchen features top-of-the-line appliances, while the open-plan living area promotes a sense of connection, making it perfect for gathering with family or entertaining guests.

This home boasts three comfortable bedrooms that provide havens for rest, with the spacious master suite featuring a luxurious walk-in wardrobe and ensuite. A well-appointed family bathroom is conveniently located between the other two bedrooms. A single-car garage ensures security and storage for your vehicle, with a discreet built-in laundry providing modern conveniences for a hassle-free life.
