# Floorplan Kaiaua

At the centre of this home lies a spacious kitchen designed for family living and entertaining. The walk-in pantry and central island make for easy meal preparation and discreet storage. You'll be at the heart and soul of any gathering, whether you are whipping up everyday meals or hosting a dinner party, and with the luxury of two living areas, there's plenty of flexibility for entertaining or relaxing.

This home caters perfectly to growing families. Three generously sized double bedrooms ensure comfortable living for all. The luxurious master suite features a walk-in wardrobe and a beautifully

appointed ensuite. With a sizable family bathroom catering to the rest of the household, this home is designed for comfort and convenience.

Ample storage and a double garage with laundry facilities provide additional convenience and space for toys or a workbench.

This stylish plan offers the perfect, relaxed lifestyle for those seeking low-maintenance living or a lock-up-and-leave option, and there is plenty of flexibility in the design to shape it to your specific style and needs.
