Floorplan

Arakura

Based on our Arakura design, this home is crafted with care to meet the needs of modern families. The open-plan layout creates a natural flow between the living spaces, and the alfresco dining area provides the perfect setting for outdoor meals or entertaining. A custom laundry adds convenience, ensuring that every part of this home works for you.

With four generously sized bedrooms, this home offers a peaceful retreat for every member of the family. The master suite, a true sanctuary, features a spacious walk-in wardrobe and a luxurious ensuite. The thoughtfully designed three-way family bathroom provides both convenience and comfort, ensuring practicality for busy households. The two-car garage offers ample room for vehicles and extra storage.

The 2550mm ceiling heights, DVS Premium Connect system, and heat pump create a comfortable, energy-efficient environment year-round.
